

**FOOD USE**  
**or**  
**NOT FOR FOOD USE ITEMS**

**The following information must be stated on the sales confirmation and commercial invoice for each item:**

✓ If an item could be for food use (pitcher, jar, container, plate, cup, etc) it must be stated if the item is **“For Food Use”** or **“Not For Food Use”**.

This information is required for items regardless of material content.

If Ceramic/Porcelain plates are **“For Food Use”**, the dimensions in centimeters must be stated.

**\*\*Ceramic/Porcelain food use items from China require a CCIB# (factory code).\*\***
