

*Ready to hop on the eco-crafting bandwagon?  
Here's an easy place to start. Skip the paint, and add personality  
to an armful of bare wooden bangles using strips of recycled  
plastic bags. Just follow these simple instructions...*

## band of bangles

{CREATIVE INSPIRATIONS FROM HOBBY LOBBY®}

SUPPLIES: Plastic Shopping Bags, Wooden Bangle Bracelet, Scissors, Embossing Heat Tool

Cut plastic bags into 4" strips. Then wrap strips around the bracelet as shown, applying heat from the embossing heat tool as you work.
